

Be Part of the Moment

BE PART OF THE LEGACY

Grand Piano Sponsorship

Help place a centerpiece of performance and excellence at The 44. A grand piano is more than an instrument. It's an investment in student growth, community performances, and unforgettable moments on stage. This is a legacy gift that will be heard for generations.

Outdoor Venue Benches

Leave your mark in a meaningful and visible way. Sponsoring a bench at the outdoor venue provides a place for connection, gathering, and celebration. Personalized recognition options make this a perfect tribute or memorial opportunity. *Sponsorship opportunities start at \$10,000.*

44 for 44 Giving Program

This is bigger than a single gift, this is a commitment to the future. 44 for 44 is about bold vision and lasting impact. By pledging \$44,000 over time, you're helping fuel scholarships, programs, and the next phase, the Performing Arts Center. *This is how we build something extraordinary together.*

Giving is easy and flexible, choose the option that works best for you. You can make a secure online donation anytime through the Richland #44 School Foundation website, or simply scan the QR code provided below to give right from your phone. Prefer to spread your gift out over time? You can set up convenient pledge payments online, or we're happy to send pledge reminder letters to keep you on track. Donations by check are also welcome, just make them payable to the Foundation. However you choose to give, your support makes a meaningful and lasting impact.
