

Hendrickson Scholarship Eligibility Requirements

The Richland #44 School Foundation was created after a generous bequest was provided by Darrel Hendrickson. Darrel's gift is meant to provide scholarships to graduating seniors from Richland #44 High School. The scholarships are named in memory of Lauritz and Marie Hendrickson & Darrel and Betty Hendrickson. This is a renewable scholarship and has the following eligibility requirements.

GENERAL HENDRICKSON SCHOLARSHIP ELIGIBILITY REQUIREMENTS~

- 1) A currently graduating Richland #44 senior who:
 - has successfully completed three of four high school years at Richland #44 School District
 - is enrolled, accepted, or considering pursuing continuing education at an accredited post-secondary institution or program as listed with the U.S. Department of Education.

Knowing not every student may pursue a traditional education path, the Foundation will review special requests on a case-by-case basis.

APPLYING FOR HENDRICKSON SCHOLARSHIP FUNDS~

1. Begin by filling out the Hendrickson Scholarship application. You can access this application through your school counselor or at the Foundation website, richland44schoolfoundation.org. *The application deadline for Richland #44 graduates is the last Monday in March.*
2. Once your application has been submitted and reviewed you may be asked to revise the application, be interviewed, or other additional steps.

You have six academic years after your post-secondary enrollment to expend your remaining scholarship funds. Students who graduate from post-secondary institutions with scholarship payments remaining may be able to use the payments for graduate or professional studies if they have time remaining on their six academic years.
- 4) Should you choose not to enroll in a post-secondary institution immediately following high school graduation the following options are available:

- The Foundation will hold your funds for **six academic years** following high school graduation. If you have not accessed your scholarship prior to six academic years after high school graduation it will become void.
- Upon your enrollment to a post-secondary institution, you have six academic years to expend the funds. When you enroll contact the Foundation office and provide us with the institution which you are enrolled, your student ID, and your contact information (address, email, phone number).
- Deferment requests will be considered on a case-by-case basis. To request a deferment, please submit a brief letter or email explaining your reason.
